

ELECTRICAL HELPER

NOW ENROLLING!

Call to see if you qualify for full tuition grants

Start a New Career as an Electrical Helper

An Electrical Helper assists journeyman and foreman electricians in installing and troubleshooting electrical wiring and equipment.

This course is designed for students with little to no previous experience, who are looking to pursue a career in the electrical field.

WHAT YOU'LL LEARN

- Safety for Electricians
- Introduction to Electrical Circuits
- Electrical Theory
- Introduction to the National Electrical Code®
- Device Boxes
- Hand Bending
- Wireways, Raceways and Fittings
- Conductors and Cables
- Basic Electrical Construction Drawings
- Residential Electrical Services
- Electrical Test Equipment

Students who complete this course will receive a certification from the National Center for Construction Education and Research (NCCER). An NCCER certification demonstrates that the holder is highly trained, knowledgeable, and qualified to do the job anywhere in the country.

The median annual pay for Electrical Helpers in 2020 was \$35,440*
