

STEER YOURSELF ONTO A NEW CAREER PATH!

COMMERCIAL VEHICLE OPERATOR

This six-week commercial vehicle operator program provides in-classroom and behind-the-wheel training, as well as extensive pre- and post-trip inspections training.

What you will learn:

- How to prepare for the written portion of the CDL-A test
- Road signs, rules, and regulations
- How to maneuver a large capacity and weight load, including turning and backing up

This training prepares students to take and pass the written and behind-the-wheel tests required to obtain a Texas CDL-A license. The GCTA support team assists graduates to secure opportunities as a driver with area employers.

Note: All students must attend mandatory orientation before the first day of class.
